The Veteran's Financial Assistance is a volunteer outreach program that may provide a one-time financial support to U.S. Armed Forces veterans who require some financial assistance due to an unforeseen financial hardship brought about by circumstances or events that are beyond the veteran's control.

This assistance may also be available to an immediate family member (mother, father, sibling, son or daughter) of a U.S. Armed Forces member who is or qualifies as a Gold Star Family member. Assistance may also be available to an immediate family member who is, or qualifies as a Blue Star Family member of a deployed active duty soldier who is currently serving in a theater of combat operations.

If these criteria are met and the veteran is experiencing a particular financial hardship, he or she may fill out an application for HOTH Veteran's Assistance where a determination will be made if he or she may qualify for any financial help.

After reviewing a Veteran's Financial Assistance application, a referral to other agencies for support with counseling, financial management or benefit application may take place.

All cases are reviewed individually and are based on merit.

Qualification guidelines for Veteran's Financial Assistance:

- Title 38 of the Code of Federal Regulations defines a veteran as "**a person who served in the active military, naval, or air service and who was discharged or released under conditions other than dishonorable.**" This definition explains that any individual that completed a service for any branch of armed forces classifies as a veteran as long as they were not dishonorably discharged.
- If "Other Than Honorable", the cause will be reviewed for acceptability within this program.
- Have NOT received furniture assistance through the Veteran's Furniture Assistance program

Veteran and/or their Case Worker must be able to supply the following for processing the application.
(Please do NOT supply pictures or screen-shots)
