

Patriot Guard Riders New York

Standing for Those Who Stood for US

Patriot Guard Riders New York (PGRNY) is a diverse group of patriots who come together to show respect and support to US service members, honorably discharged veterans, first responders, and their families by standing flag lines and providing escorts at memorial services, only at the request of the family. We also stand flag line for other events honoring veterans and military personnel by request. We do not have meetings, dues, or most of the other membership requirements of other organizations. Many of our members share a love of motorcycles and many are veterans, but neither is a requirement. The only thing our members do have in common is a deep feeling of appreciation of the sacrifices that our military and first responders have made and continue to make.

Help on the Homefront (HOTH) is a volunteer outreach program of Patriot Guard Riders of New York, Inc., which assists our military heroes and their families that reside in New York state. Our veterans have earned our respect and gratitude for their selfless, heroic acts. Through our HOTH programs, we can assist these heroes who may now need our help.

There are two programs under the HOTH umbrella, the Financial Assistance program primarily for one time help in paying late bills. And our HOTH Transition Assistance primarily designed to help homeless veterans as they transition into their new residence.

The HOTH program is supported solely through fundraising events, and donations from the community at large.

Veteran Recovery Program (VRP) is to locate, identify, and inter the unclaimed cremated remains of veterans through the joint efforts of private, state, and federal organizations; and to provide honor and respect to those who have served this country by securing a final resting place for these forgotten heroes.

Regrettably, when some of our Veterans leave this life, they are left behind in the custodial care of local funeral directors. PGRNY works to give them the burial with full military honors, which they so richly deserve.
